

SAVE THE PLANET

**Our planet suffers with the
from the pollution we do, but
there are some simple things
you can do to help us to save
the planet Earth.**

Try to do some of these things, they will help the planet:

Don't take long showers.

Remember to turn off the lights when no one is using it.

Produce only the necessary trash.

Recycle, and don't forget, the Earth is where your sons and daughters will be in the future.

If we don't take care of the planet, this is what gonna happen:

We tried to make a recycled broom, here's the results:
